PRETTY WEDDING  
NEAR LYNCHBURG

Miss Berta Frances Lindsay Becomes Bride of John Louis Gross.

## RICHMOND GIRL ATTENDS

Among Guests from Distance Was Miss Coffee, of State Capital.

(Special to The Times-Dispatch.)

LYNCHBURG, VA., September 15.—At the beautiful country home of Captain B. P. Lindsay, at Clays, a pretty marriage was celebrated in the presence of a few relatives and intimate friends Thursday morning, when his daughter, Miss Berta Frances, became the bride of Mr. John Louis Gross, of Elliston. The ceremony was performed by Dr. W. W. Royal, pastor of the bride's church.

The bride, who was gowned in a traveling suit of dark blue broadcloth, with hat and gloves to match, entered the room with her father, who gave her away. They were met at an improvised altar by the groom, the entire party entering to the strains of Mendelssohn's wedding march, which was played by Miss Laura Royal. "O, Promise Me," was played softly during the ceremony.

The bride was attended by her sister, Miss Opal B. Lindsay. She is a true type of Southern womanhood and she is well known in the city, having visited here upon many occasions.

The guests present at the wedding from a distance were Miss Mabel Mathews, of Philadelphia; Miss Carrie Shaddock and Bernice Hall, of Lynchburg; Miss Lella Mitchell, of Porterville, and Miss Olla V. Coffee, of Richmond.

Mr. and Mrs. Cross left on the morning train for a visit to the Jamestown Exposition, after which they will go to Washington, Baltimore, New York and other Northern points of interest. They will reside in Elliston, where Mr. Cross is engaged in business.

## Miss Tuttle Will Wed.

CHARLOTTESVILLE, VA., September 15.—Mr. and Mrs. Albert H. Tuttle have announced the engagement of their daughter, Clara, to Mr. William Ramsey Probasco.

Miss Tuttle is the elder daughter of Professor Tuttle, who for about twenty years has filled the chair of biology in the University of Virginia, and a granddaughter of the late Mr. Henry B. Tuttle, of Cleveland, O., and of Mr. Boudnot Seeley, of Irontown, O., both of whom were prominently connected with the early iron industry of that State.

Mr. Probasco is a son of Mr. Harry Probasco, a leading attorney of Cincinnati, is a graduate of the law school of the University of Cincinnati, and has recently located in New York City.

## HOLLINS INSTITUTE TO BE FILLED TO OVERFLOWING

(Special to The Times-Dispatch.)

HOLLIS, VA., September 15.—Every room at Hollins Institute is engaged for the session which begins next Wednesday. The Harris cottage is full also, and many more rooms could have been filled. Every place has been taken for a number of weeks, some of the students having been made on the grounds this summer and others are contemplated. Hollins has wonderful natural advantages and beauty in its grounds and surroundings.

The teachers who have been away for the vacation are rapidly returning to the school. As usual, the student body promises to be the most cosmopolitan of any institution in the South. As an illustration of this, ten men from Los Angeles, Cal., dropped into President Alderman's office in a body yesterday, having crossed the United States and secured the benefits of Virginia's great institution.

After the ceremony the young couple took the Chesapeake and Ohio train for a Northern trip, after which they will reside in Charlottesville, Va.

## Married Women

Every woman covets a shapely, pretty figure, and many of them deplore the loss of their girlish forms after marriage. The bearing of children is often destructive to the mother's shapeliness. All of this can be avoided, however, by the use of Mother's Friend before baby comes, as this great liniment always prepares the body for the strain upon it, and preserves the symmetry of her form. Mother's Friend overcomes all the danger of child-birth, and carries the expectant mother safely through this critical period without pain. It is woman's greatest blessing. Thousands gratefully tell of the benefit and relief derived from the use of this wonderful remedy. Sold by all druggists at \$1.00 per bottle. Our little book, telling all about this liniment, will be sent free.

Indications That 850 Students Will Matriculate This Session.

## TEN ARE FROM CALIFORNIA

Improvements Have Been Practically Completed—New Professors in Charge.

(Special to The Times-Dispatch.)

CHARLOTTESVILLE, VA., September 15.—The eighty-third session of the University of Virginia begins tomorrow morning, with the largest matriculation in its history, with every indication that the total will reach the 850 mark. The undergraduate department shows an increased attendance. The engineering school holds its great gain of last year, and this is true also of the law school. In the medical department there will be a considerable reduction in the first-year class, owing to the increased in the entrance requirements, which now go into effect for the first time. Seventy-five men applied for the first-year term, but were turned down owing to failure to meet the entrance conditions. This will result in a smaller class and bring a higher type of men.
